PRAYER AND PRAISE

If you would like to be added to the Rush Creek Prayer Team, please email: prayerteam@rushcreekbc.org.

- Lota Conklin met with the doctor last week and he said that her present healing and recovery was very positive and progressive; it should continue. He said herniated disc tissue does shrink and retract and "older" age is a help in this respect. He indicated full recovery will take about six months of continuing care, light activity and ongoing medication therapy. Lifting and twisting are special no-no's. Please continue to keep Lota in your prayers.
- Please continue to pray for the country and people of Ukraine.
- Continue to keep in your prayers those dealing with ongoing health issues, mental and physical. Also, pray for those who are care givers.

GROWTH GROUP ELECTIVE

Dr. Sam Vinton will be hosting a growth group elective, *Created in the Image of God*, on Tuesday, March 22 & 29 at 7:00-9:00 PM. When we read in Gneesis 1:27 that God created human beings in His image, we need to ask ourselves two questions: (1) In what ways are we like God? and (2) What are the implications for us? The fact that all people are careated in the image of God has a profound impact on how we treat others and how we confront issues such as abortion, homosexuality, transgenderism, proverty, etc. We invite you to come out and study the Bible together with us as we look for answers to these questions.

RUSHCHOIR

Do you enjoy music, singing in the choir? We would love to have you join us. The choir is now practicing for Easter. Practice is on Thursdays, at 6:30 PM in the Creekside Room.
